There is not a Democrat true to himself, to his principles and to his country, who will fail, on Tuesday next, to vote for the nominees of his party, and devote his efforts and his influence to their triumph. -This is all that is necessary to secure an overwhelming Democratic victory -State Sent.

New York, Oct. 6 The destruction of the Crystal Palace, with its contents, yesterday, was complete. So rapidly did the flames spread that in less than 25 minutes from the commencement of the fire the im mense dome fell. Many were knocked down and trampled; but none were seriously injured except one man at from one to one and a half millions. The Palace originally cost eight hundred thousand dollars.
